Club Activity Form

What is this?

We will consider your activity in the Dallas club when an exchange is over-subscribed (more people than the limit make application to go on an exchange). If this happens, your activity in the club in the past two years (2010 and this year) will be considered when you make an application to go on the exchange.

- Members who have served as board members, committee chairpersons, or exchange directors receive 5 points.
- Active committee members, chairs of a committee for an exchange and home hosts get 3 points.
- Those who have been a day host during an exchange, small group dinner host, or shuttle driver get 2 points.
- Regular attendance at meetings and noticeably good participation get 1 point.

You may claim points for each position you have held or service you have performed for each year. (Ex: Treasurer for 2 years – 10 points) Using the guide above, complete and return this form with your application. If you qualify with a high number of points, your spouse/ companion would qualify with you.

If you have never been on an exchange, please list that, as 20% of spaces on over-subscribed exchanges will be reserved for those who have NEVER gone on an exchange (along with their companion).
